

GREENE COUNTY BAPTIST GIRLS' CAMP

March 15, 2022

Dear Church Registration Person,

Thank you for your assistance in registering campers and workers for Greene County Baptist Association Girls Camp 2022. If the enclosed information does not answer all your questions, please do not hesitate to call.

We are excited that once again we have online registration available for our campers and staff. You may register online at www.gbaptist.org and following the links to the Girls Camp page. We are encouraging everyone to use this capability, as it will make the registration process much easier. We are enclosing the normal forms for staff and campers but only for those that do not have computers at their disposal. Please pay special attention to the directions enclosed – some of our procedures/times have changed.

In His Service,

Kari Murray
Assistant Camp Director
